Introduction of Train between Kanniyakumari and J&K

2157. SHRI K. PARASURAMAN: Will the Minister of RAILWAYS be pleased to state:

(a) whether Government propose to introduce an Express train between Kanniyakumari and Jammu and Kashmir via Madurai-Chennai-Delhi-Chandigarh-Ludhiana-Amritsar-Pathankot route;

(b) if so, the time by which it is likely to be introduced; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI SATPAL MAHARAJ): (a) and (b) Introduction of new trains, including on Gauge converted sections, is a continuous process on Indian Railways, subject to the resource availability, operational feasibility and traffic justification.

At present there is no proposal to introduce a direct train between Kanniyakumari and J&K via Madurai-Chennai-Delhi-Chandigarh-Ludhiana-Amritsar-Pathankot route.

(c) Due to operational and resource constraints.

Problems Faced by Foreign Companies in Mines Sector

2159. SHRI UTTAMSINGH PAWAR: Will the Minister of MINES be pleased to state:

(a) whether some Foreign Companies are facing for mineral exploration in several States as reported in Pioneer dated December 24, 1996 under the caption, 'Mines exploration firms hit by State apathy;

(b) if so, the details thereof;

(c) the reaction of the Government thereto; and

(d) the remedial steps taken so far in this regard and with results thereof?

THE MINISTER OF STEEL AND MINISTER OF MINES (SHRI BIRENDRA PRASAD BAISHYA): (a) to (d) The grant of mineral concessions is governed by the provisions of the Mines and Minerals (Regulation & Development Act, 1957 (MM (R&D) Act, 1957) and the rules made thereunder. The applications for grant of mineral concessions are received and processed by the State Governments. The approval of the Central Government is required only in case of minerals covered under Schedule-I to the MM (R&D) Act, 1957.

The Central Government has taken a series of steps under the National Mineral Policy, 1993 including legislative amendments for facilitating private sector investment including foreign equity participation in the mineral sector. The Central Government has also issued guidelines for grant of large areas for prospecting. Further, the Central Government has allowed automatic route for foreign equity participation upto 50% in case of mining of iron ore, manganese ore, etc. besides certain non-metallic minerals. Higher equity participation can be allowed on case to case basis subject to the provisions of law. The difficulties pointed out in the news items are mainly covered in the agenda items taken up for discussion during the Conference of State Ministers/Secretaries of Mines and Geology held on 26th and 27th December, 1996 under the aegis of Ministry of Mines. A Committee under the Chairmanship of Secretary (Mines), Government of India with some State Secretaries of Mines and Geology, Secretary General, Federation of Indian Mineral Industries etc. has also been constituted to review, inter-alia, the existing procedures pertaining to grant of mineral concessions and to suggest measures to reduce delays in this regard at different levels. The Government has also been interacting with the investors in the mining sector with a view to identify their difficulties and solve them through detailed interaction with the State Governments. Geological data about mineral deposits investigated by Geological Survey of India (GSI) is available for sale at GSI sale counters.
